# Welcome to Tyler's Friends

'Tyler's Friends' is a new non-profit charity based in the local region. Here at Tyler's Friends we give advice, provide support, and offer financial assistance to families who are arranging the funeral of a precious child who grew their angel wings too soon.

## Our charity objectives:

- ★ To give advice, provide support and offer financial assistance to families who have lost a child, from pregnancy to the age of 18 years.
- ★ To enable the families to have the funeral of their wishes.
- ★ To achieve a better working practice between families, funeral directors, and medical professionals.

## Our aim is to achieve this by:

- ★ Holding a variety of fundraising events throughout the year to help us raise as much money as possible.

This will enable us to assist families who are not in a financial position to pay for the funeral or to have a lasting memorial of their choice.

**Please support Tyler's Friends so we can help families relieve that unexpected cost at such a heart-breaking time.**
